

Our name, Motswedi, is a Tswana word meaning “water source” or “spring”. A natural spring is a special type of groundwater source where water emerges out from the earth and steadily flows to form streams and rivers.

who we are

We are an **independent asset manager research** business focusing on the South African investment management industry with specialisation in transformation initiatives. We are the industry leader in providing insight and access to the new generation of emerging asset managers in South Africa. We encourage the development of a more diverse industry that can contribute towards economic growth

what we do

As an asset manager research business, we have a core competence in the understanding of and in-depth research of emerging asset managers. We offer a full-suite of investment manager research, implemented consulting solutions and off-the-shelf **empowered multi-managed investment products**. We engage clients in one or a combination of the following ways:

Research	Strategic consulting	Fund management
Manager research Intense due diligence Industry insights	Product development Manager selection Manager monitoring	Portfolio design Portfolio construction Portfolio management

our goals

Our vision is to create a financial services company which services both institutional and retail clients to provide access to high quality and exceptionally well researched emerging managers. Our higher purpose is premised on “**Reshaping the South African Asset Management industry**” by promoting transformation, gender equality, skills development and stimulating economic growth through supporting and investing with transformed asset management companies
