Manager in the Spotlight

MARCH 2020

THEIR BUSINESS

Aeon Investment Management (“Aeon”) is an independent asset management company started by investment professional Asief Mohammed. The business focus is on equity investments however, they have branched out into Smart Equity and Balanced (multi-asset class).

THEIR STYLE

THEIR TEAM

Started in May 2005 Asief serves as the CEO and CIO of the business. Aeon employs eight people, all of whom are investment professional with responsibilities within the management of the businesses as well. Two senior portfolio managers assist Asief as well as a team of five analysts.

At its core, Aeon is a fundamental investment house with a Growth-At-Reasonable-Price (GARP) investment style.
